

We're not bottling out of our commitments to the environment and sustainability – with no compromise on Chester standards of quality and comfort.

Please help us to reduce the impact on our planet.

NO LITTLE BLACK BOOK

We don't have a printed guest directory – but check out our app with all the virtual information you'll need from room service to breakfast times.

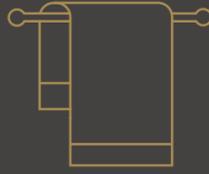

Scan me

WASTE AWAY ...

Please leave items like bottles, cans and newspapers beside the bin for recycling.

DON'T THROW IN THE TOWEL [too soon!]

Hang your towels up after use if you are happy to use them again. Or, put them in the bath or shower if you want replacements. There's an extra set of towels in your wardrobe if needed.

A CLEAN SHEET

Rooms are serviced daily (unless you pop out your DND sign). Sheets are changed after the fourth night of a stay – let us know if you need your sheets changed more frequently.

MAKING A SPLASH

We are introducing new premium toiletries with fully compostable packaging from Gordon Castle. No palm oil, artificial fragrances, colours parabens, glycols, sulphates or petrochemicals and fragranced only by plants grown in the castle's walled garden.

LIGHT TOUCH

Please remove your key card from the energy saving device when you leave your room. For rooms with conventional switches please turn off all appliances (lights, tv etc) before leaving your room.

GOOD CLEAN FUN

We clean using InnuScience products - pH neutral, non-toxic, hypoallergenic and biodegradable.

KEYED UP

Our key cards are made from eco-friendly FSC approved wood fibre board, not plastic.

SHOWERING YOU WITH PRAISE

A six-minute shower uses about half the amount of water as a bath.

COFFEE CULTURE

Your coffee machine pods are 100% compostable - as are our unwrapped teabags.

Columbian

Bright and colourful with notes of lemon, grapefruit and caramel. Organically grown.

Costa Rican

Complex with notes of toasted barley, spices and black walnut.

Guatemalan

Delicate with notes of almond, hazelnut and chocolate. Organically grown.

Espresso Decaf

Smooth, rich espresso with notes of caramel, nuts and citrus. Organically grown.

COFFEE RATING OUT OF 5

We hope you enjoy these great-tasting coffee capsules with outstanding eco-credentials.

CALORIE FREE JELLIE

We are very proud to support The Jellie Foundation, which raises funds to support children and teenagers in the Aberdeen and Aberdeenshire area who have medical conditions impacting, or limiting, their daily lives.

You can support this initiative by topping up your payment to the nearest £5 on checkout or by ordering calorie free Jellie from the bar menu with all funds supporting local children's charities in and around Aberdeen.
