Not long for mummy to wait  
now until she finds out just  
how little daddy understands  
her.

Could it be a tea towel or  
rubber gloves? Or highly  
inappropriate red lingerie?  
Again...

# Calendar of Events

*We've pulled together a spiffing selection of slap-up festive fayre for the hols with lashings of Chester magic.*

*And if it's tea and sticky buns you are after, then our Christmas afternoon tea experience will suit you down to the ground.*

*If, like the Famous Five, you think that the meals you have on picnics always taste so much nicer than the ones you have indoors, then the return of our Alpine Glühwein lark will be right up your street.*

*We'll be making a donation to the JEllie Foundation this year in place of Christmas crackers at all of our events*

Mummy liked Christmas 2020  
as daddy's office couldn't have  
their annual office party.

What mummy liked most about  
the lack of daddy's work knees-  
up was that he didn't have to  
look for a job the next day – as  
in previous years.

Mummy wrote a letter to Santa  
that she'd been very naughty  
this year and it was a secret  
from daddy.

But, it was definitely worth it.
