99 Jack Daniels (ABV 40%) - £5

A top-selling bottling from the Jack Daniel distillery, the mashbill is made up of 80% corn, 12% rye and 8% malt. The spirit is filtered through 10 feet of sugar maple charcoal to produce a mellow, slightly smoky character, thus making it Tennessee whiskey...

100 Woodford Reserve (ABV 43.2%) - £6

The mashbill for Woodford Reserve features a high percentage of rye: 72% corn, 18% rye and 10% malt. Unusual also for being triple distilled and having the lowest proof upon entering the barrel where it matures for at least six years. A must have Kentucky bourbon. Makes a wonderful Old-Fashioned cocktail!

101 Maker's Mark (ABV 45%) - £6

Maker's Mark maintain that they distil their bourbon to the lowest proof of any US whiskey distillery. This proffers a bourbon that retains a rich flavour. Developed by Bill Samuels Sr, he replaced rye with red winter wheat to reduce the burning sensation.

BLENDDED SCOTCH WHISKY

102 Shackleton (ABV 47.3%) - £6

Inspired by the whisky left behind by Antarctica by Sir Ernest Shackleton in the early 1900s and discovered frozen but intact over 100 years later, this blended malt continues in the footsteps of [The Discovery](#) and [The Journey](#). It's created once again by Master Blender Richard Patterson based on the flavour profile of Shackleton's favourite tippie, though now more accessible than the aforementioned limited-edition releases.

103 Famous Grouse (ABV 40%) - £5

One of the world's most popular blends, and the best-selling Scotch whisky in Scotland. Famous Grouse is a very nicely balanced, malty blend which was first made in 1896, and would go on to be known as The Famous Grouse, with the name registered in 1905. Around eighty years later, the company was awarded a Royal Warrant. The blend represents great value for money, and it also works beautiful in whisky-based cocktails. Delicious.

104 Naked Grouse (ABV 40%) - £5

An interesting addition to the Famous Grouse range, this was aged in first fill sherry casks, and is based around malt whisky from Highland Park and Macallan. Packaged very simply, this is a superb value-for-money blend.

105 Monkey Shoulder (ABV 40%) - £5

Monkey Shoulder Scotch is a superb, blended malt whisky from William Grant, made with single malts from three famous Speyside distilleries. The result is a smooth, creamy, supple and very malty Scotch which works superbly well neat, over ice, or in whisky cocktails (where it really excels). Favourite blended choice of our Bar Manager – Gary Middleton.
