# THE CORAVIN SYSTEM

## Experience Fine Wines by the Glass

At The Chester Hotel, we're proud to offer an exceptional selection of premium wines served through our Coravin system. This revolutionary technology allows us to pour wines by the glass without removing the cork, preserving each bottle's quality and allowing you to enjoy rare vintages that would typically only be available by the bottle.

**How Coravin Works:** A fine, hollow needle pierces the foil and cork while argon gas (an inert, odourless preservative) gently pressurises the bottle. This allows wine to flow out while preventing oxidation. When the needle is removed, the cork naturally reseals itself, maintaining the remaining wine's freshness for weeks, months, or even years - just as if it were never opened.

**For Full-Bodied Reds:** Our Coravin Aerator instantly opens these wines, delivering the equivalent of 60-90 minutes of decanting in seconds. The result? Perfectly aerated, complex flavours in every glass.

# WHITE WINE

**Jean Collet & Fils Chablis Vallions 2022** - Burgundy, France ABV 13%  
Pure Chalk. Chablis is Chardonnay in its most mineral, saline form. From a top 1er Cru site, this wine is all about precision, razor-sharp acidity frames flavours of green apple, lemon zest and a profound wet stone minerality. It is lean, intense and incredibly long.  
**125ml: £16.00 | 175ml: £22.00**

**Domaine Christian Bellang Meursault 2022** - Burgundy, France ABV 13.5%  
Textural Opulence. The antithesis of Chablis, Meursault from the Cote de Beaune is rich, round and textural. This wine is generously perfumed with white flowers, ripe peach and toasted hazelnuts. The palate is creamy and broad yet is perfectly balanced by a fresh mineral spine that keeps it vibrant.  
**125ml: £22.00 | 175ml: £32.00**

**Rochiolo Sauvignon Blanc 2024** - Russian River Valley, California, USA, ABV 13.5%  
Sophisticated and Textural. This is not your typical grassy Sauvignon Blanc. Cool-climate California lends depth and richness. Vibrant notes of grapefruit and passionfruit are completed by a subtle herbal nuance and surprisingly rich, creamy mouthfeel from extended lees contact.  
**125ml: £18.00 | 175ml: £26.00**

**Please note:** All wines featured on this Coravin list are also available to purchase by the bottle. For bottle pricing and our full cellar selection, please speak to a member of staff or consult our main wine list.

# RED WINE

**Vieux Telegraphe Chateauneuf-du-Pape Rouge 2023** - Rhone Valley, France ABV 14.5%  
The Power of the South. This legendary blend from the stony 'La Crau' plateau is the benchmark for Chateauneuf-du-Pape. It offers a compelling contrast of concentrated dark fruit, wild garrigue herbs and spicy complexity, all held together by robust structure.  
**125ml: £30.00 | 175ml: £42.00**

**Chateau Lagrange, Saint-Julien 2019** - Bordeaux, France ABV 13.5%  
Classical Elegance. A textbook example of a left-bank Bordeaux from an outstanding vintage. It speaks of cassis, cedar cigar-box and pencil lead framed by polished, fine-grained tannins. This is a wine of harmony, restraint and formidable aging potential.  
**125ml: £26.50 | 175ml: £37.00**

**Domaine Felettig, Vosne-Romanee 2022** - Burgundy, France ABV 13%  
The Pinnacle of Pinot. From Burgundy's most revered village, this wine represents ethereal elegance. It's not about power, but perfume and purity; layers of red cherry, wild strawberry, violets and a whisper of exotic spice unfold on a silken, weightless palate.  
**125ml: £32.00 | 175ml: £44.00**

**Sordo Barolo 2019** - Piedmont, Italy ABV 14%  
The Soul of Nebbiolo. Traditional Barolo is a wine of emotion and architecture. This example offers the classic haunting aromas of tar, roses and liquorice followed by a palate of fierce dusty tannins and bright red cherry fruit. It is intense and built for the long haul.  
**125ml: £16.00 | 175ml: £24.00**

**Rochiolo Pinot Noir Estate 2023** - Russian River Valley, California, USA ABV 14%  
New World Brilliance. From an iconic family estate, this Pinot shows the sun-kissed, generous side of the grape while retaining balance. It bursts with ripe raspberry, cola, and sweet baking spices from oak, all lifted by bright acidity and wrapped in a velvety texture.  
**125ml: £30.00 | 175ml: £42.00**

**Château Musar 2019** - Bekaa Valley, Lebanon ABV: 14%  
The Iconoclast. One of the world's most unique and thrilling wines. This high-altitude blend is less about fruit and more about earth, spice, and history. Expect wild, savoury notes of red berries, leather, spice box, and a distinctive earthy funk. It's a living piece of wine history in a glass.  
**125ml: £22.00 | 175ml: £30.00**

# DESSERT WINE

**Tokaji Classic 5 Puttonyos 2016** - Tokaji, Hungary ABV 11%  
Liquid Gold. From the world's oldest classified region, this wine is made from grapes affected by 'noble rot' which concentrates sugars and flavours. The result is an intensely luxurious yet balanced wine, with layers of apricot jam, honey, orange marmalade and spice, all lifted by a vibrant acidity that cleanses the palate.  
**125ml: £22.00**
